SUBJECT: Polygraphing of Retirees
REFERENCE: Memorandum for the Executive Office/DCI
from the Director of Central Intelligence,
dated 28 Nov 1978

File Peru-17

1. Action Requested: None. For your information only.
2. Background: The Office of Security has established as a matter of policy that Agency retirees who have been retired for more than one year and who are being considered for other use by the Agency will undergo a polygraph examination prior to the granting of a security approval for such use.

As part of this policy, it has also been established that polygraph examinations for Agency retirees will be limited to the counterintelligence phase only.

It has not been the policy of the Office of Security to polygraph rehired annuitants at the point of their final departure from the Agency.

STATINTL Memo for [REDACTED]

Would you obtain for me again ~~a copy of~~ a list of all the CIA retiree supergrades who are presently on our payroll in any capacity whatsoever. Interpret payroll to mean having the authorization to be paid and hence the clearances and access since some are on a purely consultant basis and may not actually be paid in the course of a year if we don't consult with them.

I would also like to know from Security ~~whether there are~~ what the polygraph requirements are with respect to a retiree. Is he polygraphed when he comes on to duty? Is he polygraphed when he leaves?
